Chairman's Message

Dr. Mahesh Kumar White
Chairman

"Education is not merely about acquiring degrees, it's about igniting minds and shaping character."

It gives me immense pleasure to welcome you to White College of Law, an institution built on the pillars of excellence, discipline, and integrity.

We established this college with a vision to create legal professionals who are not only knowledgeable but also socially responsible. Law is the backbone of a civilized society, and our goal is to empower our students with the courage to uphold justice and the wisdom to interpret the law in its truest spirit.

At White College of Law, we are committed to creating an environment where students are nurtured through academic rigor, practical exposure, and value-based learning.

I warmly invite young minds to join us and become part of a journey that leads to empowerment, growth, and justice.

With best wishes,

Dr. Mahesh Kumar White
Chairman, White College of Law

Secretary Message

Dr. Mamta Goyal
Secretary

Education and being educated is just like day and night, there is no connection between the two; we are taking education but not becoming educated.

We want the students of "White College of Law" in Ghaziabad to learn not only the law but also the correct use of it. We will strive to provide them with better facilities as well as a better future.

We warmly welcome all the students coming to the institution, and we also thank those who are walking with us step by step in our mission of education and will continue to do so.

Understanding and explaining the difference between education and being educated, we will continue to inspire students to walk on the right path.

With best wishes,

Dr. Mamta Goyal
Secretary, White College of Law
